SARSFIELD COMMUNITY ASSOCIATION NEWSLETTER

The Sarsfield Community Association

Thank you!

Spring is finally here! We would like to thank the group of volunteers who helped out on May 3rd. This was a great opportunity for families and friends to work together on community cleanup projects. A group of young people gave the church interior a good spring cleaning. Another group removed litter and debris from our park and sidewalks. Our planters have been installed and will soon be filled with new plants. We also plan to install a basketball hoop at the tennis court to provide a new activity for our youth.

If you missed our event, we still have a few projects to do when the weather warms up. If you are interested in helping to purchase and plant the flowers or to paint the benches, please contact Robert Dessaint at 613-835-2608.

Community Garage Sale Saturday, June 14, 2014 10 am to 2 pm

The Sarsfield Community Association is once again holding a community garage sale in the village. Watch for signs! Tables will be available at no cost to the vendors.

Do your spring cleaning and bring your surplus treasures to our garage sale.

Reserve your table early! Call: Jeannette at 613-835-9899

The Association welcomes your input. If you have any suggestions or concerns, please share them with our directors. Let's improve our community together.

The Sarsfield Echo is a bi-monthly publication that serves as a vehicle of information for the various community organizations in order to promote their meetings and activities.
