Village Cleanup Day

Cleaning materials will be distributed. Don't forget your rain boots!

In case of rain, activity will be held May 15th at 11:30 am.

Highlights: 2016 AGM

We would like to thank the residents who participated in the annual general meeting of the Sarsfield Community Association. The AGM was held at the community center on April 1, 2016.

The association reported on the projects and activities held in 2015. Councillor Steven Blais' representative, Philip Berthiaume, presented the city proposal for a new tax deduction related to stormwater management. Several questions were raised about it.

The association sadly announced the departure of **Laurent Latreille**, a dedicated member for over 10 years. Laurent, thank you for everything. We will miss you and wish you a happy retirement.

The group is pleased to welcome three new members to the executive committee: Julie Paquette, Tanya Cullen and Paulette Campeau. The evening ended with a fun board game and card night, an activity we are sure to plan again!
