Closure of the Home Hardware

The home hardware closed its doors tuesday April 7th.

The Community Association would like to thank the store and employees for the generosity they have demonstrated over the years in support of our activities.

We are still waiting on official statements regarding the Canada Post office and the Purina distribution centre services that the store offered to the community. It would appear the post office will remain open until it finds a new home around mid-may. The Purina distribution centre will also remain open in the next few weeks until a decision is announced.

The community expressed a lot of sadness over the closure as it was one of our few remaining institutions. The media covered the closure and its impacts. Please visit the Sarsfield website for links to the audio and video clips and for up-to-date news on this topic..

Announcements

Spring Cleaning

The Sarsfield Community Association is organizing activities to help you in your cleaning efforts: a Village Cleaning Day (May 2nd) and a Community Garage Sale (June 6th).

The village cleaning day is a great opportunity to show your children the importance of a clean environment. Last year, we filled 9 garbage bags with litter. Let's try to beat that record this year!

The Echo and websites are also undergoing a spring cleaning, with a new format this year. We hope you will like the new formula of the newsletter which contains a new section dedicated to announcements. If you have an anniversary, a retirement or an accomplishment to share, we would be happy to publish it.

Organized Trips

In a travelling mood? Two trips are being organized:

Gaspésie: July 25 to 30. Info: Nicole Rabbe 613-424-9151

Nashville/Memphis: October 10 to 17 Info: Lise Lafleur 613-835-7191

Birthday Wishes

Happy birthday to Jacob Dessaint who is turning 10 on May 17th and to Benoît Primeau who will celebrate his 34th May 30th!

2015 Sarsfield Community Association Annual General Assembly

We would like to thank all of those who attended the AGA on March 27th at the Community Centre. A pizza dinner was served and we discussed the accomplishments of 2014 as well as the planned projects for 2015.

The association is happy to welcome two new members to the executive committee: Daniel Dugas and Stephanie DeGuire.
