New Format for Family Day

This year, we have slightly modified the formula of Family Day based on the feedback from last year's participants.

The event will start in the afternoon at 2:00 pm. The softball tournament will be replaced by afternoon outdoor / indoor games (depending on weather). The inflatable structures will be back again this year.

A free pizza dinner will be served to participants at 5:30 pm. The party will continue into the evening with a bonfire, music and a movie night for children.

In 2016, our family day coincides with an interesting nation-wide project organized by CTV: Canada in a Day. Canadians everywhere are invited to capture and submit a video segment of their lives on September 10. Visit canadainaday.ca for more details. If you wish to participate in this great project, bring your cameras with you!

Bring your lawn chairs and your good humour. We hope to see you there!

The city of Ottawa will be replacing some trees in the park this fall. Japanese lilacs will be added in front of the parking lot and 5 types of deciduous trees will be added near the play area.

We are looking for mismatched dishes, candlesticks, glasses and utensils to use at our community events. Please contact us if you have any you would like to donate.
